

The S.A.V.E. Program had an exciting year building our programming while continuing to give students the opportunity to PARTICIPATE.

2011 has been an exciting year for the S.A.V.E. Program!! We were excited to partner with Creighton University's Multicultural Affairs Department to launch our mentoring/tutoring program as well as build upon our existing programming. S.A.V.E. is able to provide students with opportunities to succeed in and out of the classroom throughout the year and assisted students to participate in the following events in 2011: S.A.V.E. Basketball Tournament, Hoop it Up, Dave Rimington Football Camp, Literacy Awareness Month, Omaha Storm Chasers Game(s), S.A.V.E. Program/Anthony Tolliver Basketball Clinic, S.A.V.E. Football Clinic, South High Football Tailgate, and attend mentoring/tutoring sessions on the Creighton University campus.
