

Students Athletes Values Education Inc.

To Our Valued Business Partner,

The S.A.V.E. Program Inc. was created in August 2009, and received our IRS letter of determination April 3 2010. We are a registered non-profit 501 (c)(3) public charity. Our mission is to enable underserved youth to compete and excel academically and athletically at the highest personal and competitive levels through financial and educational support while striving to make competitive youth sports in Omaha an inclusive community.

Our new organization will help facilitate the need for underserved youth to have the same opportunities as their peers. The S.A.V.E. Program provides educational support, drug/gang prevention, discipline, and structure to student/athletes from all walks of life. We plan to offer various camps, clinics, seminars, activities, tutoring, and events to deserving young student athletes in the Omaha/Council Bluffs area throughout the year.

Your generosity and support of the S.A.V.E. Program can help us continue to extend opportunities to deserving and dedicated student/athletes. We are looking for sponsors for our upcoming basketball tournament, to be held February 3, 4, 5 at Omaha South High School. The tournament is open to boys and girls in the 3rd-8th grade for the 2010-2011 school year.

We are graciously requesting a sponsorship of \$200.00 to help offset the various costs associated with the programs we provide. In recognition of your tax deductible donation, your company/personal name will appear on the official S.A.V.E. T-shirt, and your Logo/Name will also be placed on our S.A.V.E. Website. You will also be helping to keep costs down for our participants, allowing truly deserving student/athletes to continue to participate in our various activities.

On behalf of our entire organization we thank you for your time and for your support of our program. Please do not hesitate to call us, or send us an email if you have any questions concerning the S.A.V.E. Program organization. Any contributions can be made out to the S.A.V.E. Program and may be sent to the address below. We are proud to have you as partners in our new venture and we look forward to future successful endeavors with you.

Thank you for your consideration.

Sincerely,

Kevin Melcher, Executive Director
